Car Control Illumination	5 minute duration			

A combination of length and width models can be manufactured by special request across the VM31/51, VM36/56 and VM38/58 range.

**Design** Designed for safety, flexibility and total freedom and independence.  
Fully compliant to BS5900 : 2012.

**Unobtrusive** Simple and unobtrusive, the Wessex Homelift's space saving design uses the absolute minimum space in your home.

**Solution** The complete solution:

- Site survey by Wessex Area Sales Manager
- Completion of all electrical and building work
- Installation of lift by Wessex trained personnel
- Commission and demonstrate to client
- After sales care - service and maintenance

**Peace of Mind** Wessex fully trained engineers are regionally located at six depots through mainland UK. For that total assurance, Wessex engineers are on call 24 hours a day, 365 days a year.

**Customer Care** Contact our dedicated, friendly team of people, experienced in offering a high level of customer care and individual attention. Our team can offer advice on everything from feasibility to installation and after care, together with an unparalleled level of technical support.

# Wessex HomeLift.

**Options & Accessories** An extensive range of standard options are available, including seats, keyswitch call stations (for added security), remote control, power operated door, in car telephone and many more.

**Range** The Wessex range of products offers solutions for accessibility suited to your specific needs. We can offer you applications suited for internal and external use, with a lifting height of up to 6m and a wide range of options to suit your individual needs.
